

Spoštovani poslovni partnerji

Obveščamo vas, da se bodo na omrežju SŽ v prihodnosti izvajale sledeče zapore prog zaradi gradbenih in vzdrževalnih del z namenom ohranitve varnosti in kvalitete prevozov na najvišjem nivoju:

Ljubljana – Divača – Sežana:

V sklopu projekta modernizacije železniške proge Ljubljana – Divača se je v avgustu pričela obnova prvega odseka. **Modernizacija bo po odsekih trajala do leta 2027.**

<http://www.krajsamorazdalje.si/projekti/nadgradnja-zelezniske-proge-ljubljana-divaca>

1. Odsek Ljubljana – Brezovica (zaprtje enega tira proge Ljubljana – Sežana meja)

Od **06.02.2022 (18:00)** do **30.06.2022 (24:00)** se izvaja neprekinjena zapora **desnega tira** na odseku Ljubljana – Brezovica

Dne **02.05.2022 in 16.05.2022 od 08:00 do 14:00** se bo izvajala zapora **levega tira**, kar pomeni, da bo v tem času **POPOLNA ZAPORA** odseka Ljubljana – Brezovica

Na tem odseku bo zmanjšana propustnost proge. Na osnovi navedenega so predvidene večje ovire pri izvajanju operativnega voznega reda (OVR) na ljubljanskem vozlišču in odseku Ljubljana - Divača. Glede na delež prometa tovornih vlakov na relaciji Ljubljana - Divača, bodo odstopanja od voznega reda imela tudi vpliv pri izvajanju OVR na celotnem omrežju SŽ.

2. Odsek Brezovica – Preserje, Preserje – Borovnica, Borovnica – Verd in vse do zadnjega odseka do Divače do leta 2027 – zaprtje enega tira proge Ljubljana-Divača-Sežana

Postaja Pragersko

Avgusta 2021 se je začela obnova postaje Pragersko. Zaradi nje bodo potekale popolne zapore posameznih postajnih tirov, večjih delov postajnega območja in posameznih medpostajnih odsekov proti sosednjim postajam.

Dear business partners

We would like to inform you that in the future the following line and track closures will be performed on the SŽ network due to construction and maintenance works in order to maintain the safety and quality of transport at the highest level:

Ljubljana – Divača – Sežana line;

As part of the modernization project of the Ljubljana - Divača railway line, the renovation of the first section began in August. **The modernization will last by sections until 2027.**

<http://www.krajsamorazdalje.si/projekti/nadgradnja-zelezniske-proge-ljubljana-divaca>

1. section Ljubljana – Brezovica (single track closure on track Ljubljana – Sežana border)

From 06.02.2022 (18:00) until 30.06.2022 (24:00) continuously closure of the **right track** on section Ljubljana – Brezovica

On 02.05.2022 and 16.05.2022 from 08:00 until 14:00, the closure of the left track will be carried out, which means that during this time there will be a **COMPLETE CLOSURE of the section Ljubljana – Brezovica**

The capability of the line will be reduced on this section. Major obstacles to the implementation of the operational timetable are envisaged in Ljubljana area and on the Ljubljana - Divača section. Given the share of freight train traffic on the Ljubljana - Divača route, deviations from the timetable will also have an impact on the implementation of timetable on the entire SŽ network.

2. section Brezovica – Preserje, Preserje – Borovnica, Borovnica – Verd and all the way to the last section Divača until 2027 – single track closure on track Ljubljana – Divača – Sežana border

Pragersko Station:

In August 2021, the renovation of Pragersko Station has started. It will entail complete closures of individual station tracks, large parts of the station area and individual interstation sections towards neighbouring stations.
